11	From the Comptroller No dated 14-4-1924. Forwards the comparative Statement of Revenue Collections for March 1924

Land Revenue The 2 Dts of Kadur & Hassan show comparatively good realizations both for the month and for the total figures. The totals of Chitaldoorg are also good, though there is a slight decrease showing the month as compared with March 1923.

Kolar, Tumkur & Mysore show less collections both for the month & under the totals. The poor collections of Kolar & Tumkur are apparently due to the bad seasonal conditions.

The reply of the D.C Mysore explaining the poor collections in his for July

Financial Department)

SIR,

With reference to your letter No. Fl 5365 C.A. 8-23-10 dated 27th March 1924, requesting to explain the fall in Revenue collections during the seven months ended February 1924 as compared with the collections for the corresponding period in 1921-22 and 1922-23, I have the honor to state that the arrears on 1st July 1921 and 1st July 1922 were 376 thousands and 292 thousand respectively, while the arrears on 1st July 1923 were only 169 thousand. Hence the collections from July 1923 to February 1924 fell short of those for 21-22 and 22-23 by 28 thousand and 56 thousand respectively.

The collection in February 1924, was bad on account of the unfavourable seasonal conditions and prevalence of epidemic diseases in some important taluks of the District.

I have the honor to be,
Sir,
Your most obedient servant,
